

BADLAO BULLETIN

Action against the fight with COVID 19
Executed by Badlao Foundation
CRJ road, Mihijham, Jamtara, Jharkhand Mobile: 9334346801

INTRODUCTION

The 21-day lockdown, beginning March 25, led a reverse migration with workers leaving cities and going back to their villages as industries were shut and paying house rent or taking care of basic needs became a challenge, apart from health concerns. Globally the spread of COVID 19 infection has created an alarming situation. The risk of spread is real for India also. The Government of India has announced a series of containment measures like message of social distancing, contact tracing and isolation and nation- wide lock down and curfew. These compulsory measures have caused unavoidable suffering for the migrant labour and the people surviving in the unorganized sector of the economy. These include daily wage earners, street vendors, and construction workers, amongst others.

OPERATIONAL AREA

The operational area of Badlao Foundation is 81 villages of Jamtara and Nala block which comes under project area. Badlao Foundation with it's 70 team member stepping out to fight against this pandemic situation providing services to the society. We mainly focused widow, separated women, vulnerable group those who are starving hard to make their end means of the community. Badlao Foundation is taking an initiative to support villagers by providing food packets and protection kit.

OBJECTIVE

1. To make the community aware on needs to maintain social distance and related personal hygiene.
2. To identify families under distress and distribute food packets and protection kit.
3. To support the local administration and State Govt. initiatives

STRATEGY

Through this intervention Badlao is trying to help the community in their difficult situation. At the same time, since, Govt. departments are facing a big challenge to prevent the spread of COVID 19, Badlao can act as a partner facilitator between the Govt. departments and the community. By undertaking a rapid need assessment study - Badlao can help to identify vulnerable and needy families who need direct financial support and also food. Existing hygiene and health issues will be identified and will be helpful for the community. After this completion of these intervention Badlao will identify some issues like no. of migrant workers which are not registered in the state Govt. labour departments, health problems, level of awareness in the community. Based on that Badlao will prepare a study report this will help in future endeavour.

ACTIVITIES TO FIGHT AGAINST THE PANDEMIC SITUATION

1. NEED ASSESSMENT:

Badlao has already developed a survey format and taking the activity ahead to identify the existing number of people suffering from any kind symptoms which is related to covid 19. Umang team will be responsible for conducting survey. From Jamtara we have already collected some data. By gathering the information field facilitators find out the list of the community people who are not getting the support from Govt. or any other local organisation.

INCREASING THE CAPACITY OF GOVERNMENT WORKER

2. AWARENESS AND INFORMATION DISSEMINATION:

Badlao Foundation will set up an information booth within the community with the help of our facilitator. From this information booth community people will get this information related to COVID 19 which includes (i) symptoms of COVID 19 (cough, cold, respiratory problems, fever, vomiting, sneezing, headache. Those who are suffering from diabetes, Blood Pressure, cardiac problems and kidney comes under high risk zone for COVID 19, (ii) Personal hygiene-how to use mask, maintain social distancing, proper way of hand washing, maintaining cleanliness; (iii) isolating the sick persons in the family Under the initiative #Pahel COVID 19 Badlao increase the awareness level of the community with the help of our field facilitator mentor and adolescent girls to impart the message and importance of social distance into the community.

We have also spread awareness among with the community people with the help of our facilitator about social distancing by marking with the spots to maintain the average distance.

Social distancing – Kewarjali and Chandradeepa Village

3. DISTRIBUTION OF PROTECTIVE KIT:

Badlao Started an initiative called #pahel it's an effort on humanitarian ground to reach out to people who are starving hard for their daily bread in this pandemic situation. Protection kit which includes Khadi mask, homemade sanitizer, and soap.. Till now Badlao provided khadi mask and soap to 165 villagers in kewarjali and khadi mask to 40 villagers in Chandradeepa. Khadi mask and soap distributed in 30 villagers under Umang Project at Jamtara and Nala block. 200 khadi masks were given to DC office. Under project Umang funded by ICRW 2387 khadi mask and 1719 soap was distributed to adolescent girls of Jamtara and Nala block.

Distribution of Mask

4. DISTRIBUTION OF FOOD PACKETS:

Depending on prior information gathered by field facilitator, on 12th April Badlao foundation distributed mask ,sanitizer, dry ration and soap to the hundred underprivileged, disabled and daily wage workers in Korapara , mihijham. from 9th May to 13th may Under project Protect Secure Preserve, funded by oxfam India of Badlao foundation, Badlao team at Village Mohanpur, Dumki, Angawali, kadampur, sundarpahri of Godda was distributed Dry Ration and Hygiene kits to the migrant workers and Vulnerable 300 families residing in these villages.
